

**TEESDALE SCHOOL PTA**

**WIN £'S EACH MONTH  
WITH OUR HUNDREDS CLUB**

By joining our Hundreds Club you can help the PTA to raise funds for the little extras in your child's school life.

Thanks to past support we have provided funding to assist with the school rewards and are now working towards assisting with the refurbishment of the students' social area. You can help this year simply by buying a number in our Hundreds Club.

Each number costs £10 and is entered into each of the seven monthly draws running from November to May. Each month you could win the £20 prize or one of four £10 prizes. In addition, there is also a special chance to win £100 in the Christmas draw in December.

**(Our next meeting is on Monday 7th September at 6.30pm in the School's Virtual Learning Centre—please feel free to come along—the meetings are short and informal!) All new members are very welcome**
